

5 AI Power Prompts You Can Steal Weekly

Limited Access: This is a peek into my private AI prompt library—not shared anywhere else.

Used by 50+ business owners across 8 industries to save hours weekly.

⚡ Prompt #1—The Content Shape-Shifter

Take the following (**blog post, social media caption, newsletter, or script**) and transform it into three new formats:

1. LinkedIn post
2. Instagram carousel script
3. short-form video outline

Keep **the tone** (professional/playful/etc) and make each one ready for a corresponding platform.

Why it's a superpower: One piece of content becomes three—faster than you can say “algorithm update.”

⚡ Prompt #2—The Pain-Point Eliminator

I run a [type of business] and my audience's top 3 challenges are [challenge 1, challenge 2, challenge 3].

Give me 5 creative ways to solve each one – include quick wins, long-term fixes, and ways to position me as the go-to expert.

Why it's a superpower: You stop guessing what your audience needs—and start showing up as the hero they trust.

⚡ Prompt #3—The Offer Power-Up

Here's my current offer: [describe offer].

Create 3 variations that make it irresistible, with:

1. A magnetic headline
2. A bullet-point benefits list
3. One **call-to-action (CTA)** they can't ignore

Keep it [short/persuasive/friendly/etc].

Why it's a superpower: Turns “meh” offers into money-makers without starting from scratch.

⚡ Prompt #4—The Pain-Point Eliminator

I run a [type of business] and my audience's top 3 challenges are [challenge 1, challenge 2, challenge 3]. Give me 5 creative ways to solve each one – include quick wins, long-term fixes, and ways to position me as the go-to expert.

Why it's a superpower: You stop guessing what your audience needs—and start showing up as the hero they trust.

⚡ Prompt #5—The Audience Magnet

Based on my [business type/niche], suggest 10 engaging content ideas that would spark conversation, attract my ideal audience, and naturally lead them toward my offer.

Why it's a superpower: Keeps your content calendar full of posts that pull people in and build trust.
